## Submeter & Private Well Rebates | Santa Clara Valley Water

After receiving the Notice to Proceed: Select submeters that comply with the Uniform Plumbing Code. This list of water submeters are approved by the State of California. To determine whether an unlisted submeter you selected can be certified, please contact the Santa Clara County Department of Weights & Measures. Certify the selected submeters with the Santa Clara County Department of Weights ...

## Submeter | Soquel Creek Water District, CA

The Soquel Creek Water District offers a rebate to help cover the cost of submeters installed at multiple dwelling units like condominiums, apartments, and mobile homes. The rebate can also be used for mixed-use residential and landscape water systems that are served through one "master meter".
